No. 4:21-CV-00122
Jury Trial Demanded

v.

Jean Clark, et al.,
Defendants

Motion to strike defendant's answers to the order
compelling discovery. Filed on 10-21-22 (Defense Doc. 76)

The Plaintiff Robert J. Murray (Pro Se) move to strike
defendant's answers to the order compelling discovery
for the following reasons:

1. Discovery has been closed since 8-31-22, that is
68 days. So anything the defense or myself tries
or wants to do regarding discovery is now moot.
2. I didn't ask for or agree to an enlargement of
time.

3. I mistakenly filed a motion to compel discovery for my 2nd request for admissions on 9-19-22. I wish to withdraw that motion because I was well past the discovery deadline of 8-31-22. Therefore that motion should be dismissed as moot as the defense suggests.

4. For the reasons set forth in my supporting brief, myself, the plaintiff requests that the court strike the defendant's answers to my request for admissions and deem them as admitted. Pursuant to Rule 36 (a)(3) of the Federal Rules of Civil Procedure.

Wherefore, the Plaintiff Robert J. Murray (Pro Se) ask that the court strike the Defendants answers to my 2nd request for admissions. Document 76-1 filed on 10-21-22.
